

**The Center for Multicultural Science**  
**GDPR Privacy Notice**  
**Aug 2022**

**Institution/Data Controller**

The Center for Multicultural Science; 2 Santa Cruz Ct, Manhattan Beach, CA 90266.

**Contact Person**

Dr. Jake Beniflah, Principal Investigator at The Center for Multicultural Science, Phone Number: 415-713-5253; Email Address: [jake@multicultural-science.org](mailto:jake@multicultural-science.org).

Your Study Data, as defined below, is regulated in the European Economic Area under the EU General Data Protection Regulation (the “GDPR”). The Center for Multicultural Science acts as the Data Controller with respect to Your Study Data.

**Research Study Data**

When you participate in The Center for Multicultural Science’s research study (the “Study”), The Center for Multicultural Science will generate and record data about your participation in the Study. In addition, we will collect and create sensitive personal data, including, racial or ethnic data; data concerning your responses, opinions, general beliefs, and other personal data as part of the Study (collectively, Your Study Data). Your Study Data may include your first and last name, contact information, and videos taken from the research interviews.

**Purpose of the Research Study**

Your Study Data may be processed or used for the following purposes: to better understand attitudes and behaviors, current events and other cultural topics deemed important to the Principal Investigator.

**Recipients of Your Study Data**

The following individuals and organizations may process Your Study Data in connection with the Study: The Center for Multicultural Science, as the study sponsor; Dr. Jake Beniflah, Principal Investigator and other third-parties affiliated with Your Study Data. Depending on the future research uses of Your Study Data, Your Study Data may be also be disclosed to researchers not affiliated with the study sponsor or with the study team. No part of Your Study Data shall be shared or released publicly, including but not limited to social media and other online sites.

**Study Data to be transferred to other countries outside the EEA**

The Center for Multicultural Science may use and disclose Your Study Data for processing for the purposes stated in this form to entities and individuals located in the United States or in other countries where the laws do not protect your privacy to the same extent as the laws the country in which you are located. However, The Center for Multicultural Science and the study team will take reasonable steps to protect your privacy in accordance with the applicable data protection laws.

**GDPR Rights Respecting Your Study Data**

If you reside in the European Economic Area during your participation in the study, the GDPR gives you certain rights with respect to Your Study Data. You have the right to request access to, rectification, or erasure of, Your Study Data. You also have the right to object to or restrict our processing of Your Study Data. Finally, you have a right to request that we move, copy, or transfer Your Study Data to another organization. In order to make any such requests, please contact the Contact Person identified above.

The Center for Multicultural Science will delete Your Study Data when it is no longer needed for the study or other research purposes or when you withdraw consent you provide below in this Consent Form. However, we will retain Your Study Data when necessary to comply with our legal and regulatory requirements. You may withdraw any consent you provide on this form at any time. If you withdraw your consent, this will not affect the lawfulness or our collecting, use, and sharing of Your Study Data up to the point in time that you withdraw your consent. Even if you withdraw your consent, we may still use or maintain Your Study Data that identifies you to comply with our legal and regulatory requirements.
